CELLARING: This wine will develop complexity over the next few years.

WINEMAKER'S NOTES: As with the strum of the electric guitar and the bang of a big bass drum within a rock anthem melody, this sexy wine strokes balance and resonates with flavors of cherries, raspberries and mocha. The notes finish with innuendo of espresso and tobacco. Great acidity pairs it well with foods such as spaghetti, beef, and spicy dishes. Also pairs well with classic rock, good times & great friends.

Will be at its peak between 2011- 2015.
